

Boston Healthy Office Snacks 1-2-3

Make your employees feel healthy, happy, and valued.

Boston Healthy Office Snacks delivers healthy snacks and drinks to Boston-area companies with a focus on employee wellness.

- 1 Contact us.
- 2 Receive a free snack & beverage sample delivery.
- 3 Pick your budget & schedule.

Exceptional Customer Service

We do all the work...whether it's setting up baskets of healthy snacks in break rooms or restocking kitchen shelves.

Commitment to Sustainability

Berkshire Natural was created with a strong commitment to the environment.

Pricing to Meet Your Budget

Give us a budget, the number of snacks/beverages/fruit and frequency of delivery. We'll provide you with a pricing and delivery program that works within your budget.

Healthy Delicious Products

One of the secrets to getting employees to embrace healthier snacks is to keep the product line-up fresh and exciting.

Our array of offerings will continually entertain, surprise and please your staff. We rotate new products in regularly. We're able to do this because we're familiar with the thousands of organic, natural and local products available in the marketplace.
